## Training, Workshops and Seminars

Successful Training, Workshops and Seminars have been held around Australia by EDOMS Advisors for such organisations as Independent Schools Association, ADAPE, Christian Schools Association, Head Teachers Networking Groups, Individual Schools, with presentations at International, National and Local Conferences and Professional Development days.

Please contact EDOMS if you wish to discuss any of the following Professional Development opportunities.

### Training

Board, Leadership, Staff and Volunteer training can be arranged on all areas of Professional School Fundraising, Development and Alumni and Community Relations at your Institution.

We offer training in a one on one situation or as part of a group session within your school.

### Workshops

Workshops are carried out where a specific area of Professional School Fundraising, Development or Alumni and Community Relations is required.

Workshops can be arranged on or off campus with your Board, Executive, Staff and Volunteers as required.

### Seminars

Seminars can be arranged in your area or region.

By combining with other Schools to provide Professional Development or Training in School Fundraising, Development or Alumni and Community Relations you will achieve a more cost effective result.
