

# EDOMS

EDOMS has provided Educational Philanthropy, School Fundraising, Advancement and specialist support since it was established in 1988.

Clients have included Schools and Non profit organisations in the Northern Territory, Mornington Peninsula Victoria, Adelaide, Sydney, Queensland and Papua New Guinea.

What we do.

To identify your fundraising and alumni engagement potential it is beneficial to review your current situation and consider your pathways and strategic plans for the long term future of your School.

Why not have EDOMS

- Conduct a review of your Development Fundraising, Alumni or Marketing operations.
- Discuss the implementation and benefits of an integrated Development Office or Foundation structure.
- Assist you in the establishment of an Alumni Engagement structure and strategy.
- Conduct training for your key stakeholders. (Staff, Board members or volunteers)
- Provide guidance on good governance and accountability.
- Undertake Project Management.

Principals, Morag and John have knowledge, skills and success in the area of educational philanthropy and relationship building through entrepreneurial leadership which has been recognised by their peers and leaders.

Both John and Morag have provided through their pro-bono involvement leadership on Boards and committees supporting the advancement of fundraising, corporate sponsorship, business relationships, strategic planning, taxation guidance.

"It's not what you do, it's the way that you do it &ndash; that's what gets results."
